Winter Flakes 1 Mile Route

- Begin at the south end of Walther Park.
- Go through the park on the road making a right onto the walking trail at the north end of the park.
- Follow the walking trail back to where the race started.

IMPORTANT NOTES

- Roads will not be closed for the race. Volunteers will be stopping traffic and we will have police assistance at major intersections. Please run with caution. Follow arrows to stay on race course.
- Use caution when crossing tracks. We have been in contact with Union Pacific and while there are no trains scheduled to pass through on 2/23/13, we still need to be aware of our surroundings and not attempt to beat a train should one come through.
- Water will be available around the 1.5 and 3.6 mile markers.
