The merchants and volunteers of the DeSoto Farmers' Market graciously ask for your financial support for Farm to Table.

*You are invited to take part in this event which focuses on community partnerships and features local entertainment, fine wine, a silent auction, and a wonderful meal.*

The De Soto Farmers' Market is a collaboration of Get Healthy De Soto, the City of De Soto, University of Missouri Extension, Jefferson County Health Department, Lincoln University Extension and local producers. The Market is a producer only market, meaning that all items are created, raised, grown, and produced within a 75 mile radius of De Soto.

*Our mission is to provide access to fresh, local produce and artisans in an environment that encourages healthy eating, healthy living, and fosters community connections.*
